

Elder Law Committee

2016 Annual Report

Unfortunately, the Elder Law Committee did not have regular meetings in 2016. However, with state-wide changes being made to the Orphan's Court Rules, members of the Elder Law Committee attended various Rules Committee meetings.

Additionally, the Elder Law Committee was notified of Living Trust salesmen in the area and convened to quickly update a previously composed "consumer alert." This "consumer alert" was posted on the LLA's website and circulated to the public through the LLA's Facebook page. The Facebook post reached 955 Facebook users.
