Committee Meetings

The Bar History Committee held several meetings in 2024. The first meeting was on Thursday, May 23, 2024 at noon at the LLA office. Our main topic of discussion was a proposal to have an exhibit at the Taber Museum in April 2025. The exhibit would be in the main community room and would focus on the role of lawyers in providing legal services and justice in Lycoming County. We held additional meetings to discuss the project further on June 11, 2024 and September 17, 2024. In July 2024, the Bar History Committee submitted a grant application for funds from the LLA Foundation for the project. The Foundation requested a more thorough grant application. Cliff Rieders took over as chair of the project and submitted a second application which is pending as of the date of this report.
