

Law Day Committee Report – 2024

By: Christian Frey, Chair

2024 Theme: Voices of Democracy

All Lycoming County students, including those from public, private, and homeschool settings, were invited to explore the Law Day theme through an essay or art project. On May 17, 2024, four art winners and four essay winners presented their winning entries to the county court during a special ceremony attended by Judges Butts, Tira, and Carlucci.

One exceptional essay winner was awarded a \$1,000 cash prize, generously funded by the District Attorney's Office.

The winning submissions were shared on the Lycoming Law Day Facebook page, and a full video of the ceremony is available for viewing on the LLA website and YouTube channel.

A number of judges, lawyers, and paralegals collaborated to develop the essay prompts, and assisted in the selection of the winners. Special thanks to LLA members John Pietrovito, Tammy Taylor, Jen Linn, Robin Read, Adrian Lee, Jonathan Butterfield, Bob Cronin, and 2024 LLA President Joy Reynolds McCoy for their dedication to this program. We hope to have your continued support for Law Day in the coming year.

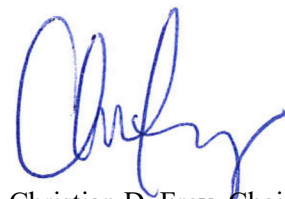

District Attorney Marino has pledged continued funding of the Grand Prize, as well as additional prize money for the winners in 2025.

Due to poor attendance, there will be no reception following the ceremony in 2025.
