

IN THE COURT OF COMMON PLEAS OF LYCOMING COUNTY, PENNSYLVANIA

JMC, : NO. 00-21,390  
Plaintiff

vs. :

JK, :  
Defendant

OPINION IN SUPPORT OF ORDER  
DATED MARCH 28, 2001 IN  
COMPLIANCE WITH RULE 1925(A) OF  
THE RULES OF APPELLATE PROCEDURE

Appellant/Plaintiff appeals from this Court's Order of March 28, 2001, in which her Motion for Post-Trial Relief, interpreted as a request for reconsideration, was denied. The Order sought to be reconsidered was entered January 19, 2001, and dismissed her complaint in divorce on the grounds she failed to prove the existence of a common-law marriage.

By Order dated May 1, 2001, this Court directed Appellant to file a Concise Statement of the Matters Complained of on Appeal within fourteen (14) days. Appellant has failed to file such a statement as of this date, June 8, 2001. As Appellant has not complied with the Order of May 1, 2001, it appears that any issues that Appellant raises to the Superior Court will be deemed waived. In any event, the Court chooses not to bind the Superior Court to address an issue which Appellant may or may not raise. The Court will therefore address nothing further in this Opinion but does refer Superior Court to its Opinion and Order of January 19, 2001, upon which this Court would rely in any event.

Dated: June 11, 2001
