OPINION IN SUPPORT OF THE ORDER OF OCTOBER 31, 2001 IN COMPLIANCE WITH RULE 1925(a) OF THE RULES OF APPELLATE PROCEDURE

Defendants have filed an Appeal from this Court’s Order of October 31, 2001, which was filed on November 1, 2001 and dismissed Appellant’s Appeal of a decision of the Borough of Muncy Zoning Hearing Board. The Concise Statement of Matters Complained of on Appeal assert nine different reasons as to why this Court’s decision was in error as a matter of law and abuse of discretion. All of the issues raised on Appeal are addressed at some length in the Opinion of October 31, 2001 and this Court relies upon its findings and reasoning as set forth in that Opinion.

There was no evidentiary record made in this Court and the evidentiary record consists entirely of the record of proceedings before the Zoning Hearing Board which have been filed of record.
