This Opinion is written in support of the Court’s Order filed in case CR-1472-2009 on March 11, 2016, finally dismissing Defendant’s petition for Post Conviction Relief. For the purpose of this Opinion, the Court will rely on the Opinion and Order filed on February 17, 2016, explaining the proposed dismissal. The Court notes that Defendant’s appeal to the Superior Court is timely as Defendant filed his notice of appeal within 30 days of the March 11, 2016, Order dismissing Defendant’s petition for Post Conviction Relief.
